Dear Mr Jordan, Mrs Collins and to whom it may concern,

Pursuant to my conversation today with Mrs Kim Collins, as president of BCM, I would like to formally acknowledge recite of FEC compliant number MUR 6345. I do confirm the complaint against MR Nwasike by Mr Jerod Powers and the information listed is true. Mr Nwasike influenced Jay Fields, appointed treasure of the Keep God in America rally hosted under my 501C3 of BCM, to write themselves a ~~unauthorized~~ check for \$2,000 and the same day April 28th the Fields wrote a check for \$2,000 to Nwasike for congress. This just two days before the filing deadline.

I did not authorize or even know of this transaction, nor was I even as much as consulted about this by the Fields or Mr Nwasike. I learned of this transaction after checking my account records after the fact. I have attempted to deal with the situation and the involved parties refuse any contact with me. I have taken the appropriate legal action to handle the matter. Again Mr Nwasike has influenced a temporarily appointed treasure for a special event to help him funnel funds from my non profit ministry to his political campaign WITHOUT my knowledge.

Again I understand this is a violation of FEC rules and my 501C3 status and that this violation was not done with my knowledge or authorization and I want to inform you I am willing to cooperate with you as much as possible to handle this matter and see the matter resolved and justice served as soon as possible. I expect and am counting on the FEC to server justice for my ministry and its donors.

Please feel free to contact me anytime. I look forward to hearing from you soon and resolving this matter.

God bless,

Raymond Johnson
